

Dear Kuchi,

From the moment I met you, I knew you were special. Not just because you're brilliant, beautiful, and better than me at almost everything (which, let's be honest, you are), but because you make my world brighter in ways I never thought possible.

You challenge me, push me to grow, and somehow, despite my flaws (and occasional bad jokes), you choose to stay. I admire everything about you—your strength, your kindness, your fire, and even the way you get mad at me. Every moment with you, even the ones when you're scolding me, is a moment I cherish.

So today, on **Propose Day**, I just want to say... I don't need a perfect life, I just need *you* in it. So, here's my promise: to always support you, to make you smile even when you're stressed and keep calling you motki. Love you Kuchi Cat.

Lots of love,

Your baby & his willu.
